Connect to MyChart from home

You can request a refill or send a message to your care team without ever picking up the phone – and when it's most convenient to you.

To get started, visit www.childrens.com and select **Login to MyChart**

- 1) Click the link under **Patients and Families**
- 2) Register by providing basic information and creating a user name and password
- 3) Provide your child's information so we can connect you to their medical record information. You can enter more than one child. A medical Record number is needed.

Sign up now for access to patients' medical records.

- **Patients and Families** - [Click here.](#)
- **Providers** - [Click here.](#)

Medical record number can be found:

- On your child's after-visit summary (AVS)
- By having one of our receptionists fill in your child's medical record here _____

4) Joining gives you a secure connection to:

- Access portions of your child's medical chart
- See test results
- View upcoming appointment dates
- Review appointment summary reports
- Send messages to clinical staff
